## **Round 2**

- 1      The 10 modes of transport which appear on British road signs  
[The 10 different modes of mechanical transport, apart from a car, depicted on British road signs; any that appear within a red circle or within a triangle used to warn other road users as illustrated in a DoT "Know Your Traffic Signs" booklet as of May 2017; does not include items that might be towed, such as a caravan or horse-drawn carriage]
  
- 2      The Top 10 sports for boys in US high schools  
[Based on numbers who participated in these sports in 2015/16 according to a report by the National Federation of State High School Associations]

## **Round 3 - Have I got news for you**

- 1      If you were putting numbers on new changing room lockers to be numbered from 1 to 100, how many times would you use the number 9?
- 2      In which county was Isaac Newton born?
- 3      What is the name of the sea that separates New Zealand and Australia?
- 4      Who was Britain's first black news reader?
- 5      New York City lies at the mouth of which river?
- 6      Which newspaper brought out the first colour supplement?
- 7      If you travel directly east from New York City, which country would you reach first?
- 8      Which actor/director said in 1989 'I don't go around saying: 'Hello, did you know I'm the new Olivier?''?
- 9      Which of the following books of the Bible comes in the New Testament? Matthew, Ruth or Jeremiah?
- 10     At which event in the 1968 Olympics did Dick Fosbury win with a radical new technique?
- 11     For which carnival is the American city of New Orleans famous?
- 12     For which newspaper did Superman work?
